

Freedom Pass circuit

Section 9: Tattenham Corner to Epsom Downs

Distance: 1.66 mi, 2.66 km

Introduction

This very short section takes us north, past the Epsom racecourse and across a golf course.

There are cafes in Tattenham Corner.

Directions

Walk straight ahead out of Tattenham Corner station.

Turn right onto the road (Royal Drive) in front of the carpark.

Turn left at the roundabout and cross the road.

When the pavement ends, continue on the path on the right, down to Tattenham Corner Road, and turn right onto it.

Carry on along the grass verge, crossing Tattenham Crescent, to the next roundabout.

Cross Old London Road, then take the diagonal footpath on the right across the grass.

Keep on the path through the woods, across Grand Stand Road, and gradually downhill through a golf course, keeping on the main path all the way.

Cross the road by Wendover Stables, and carry on straight ahead on the track with a wooden fence on the left.

Follow the track all the way to the end, leave the golf course, cross the road and turn right.

Keep on the pavement straight ahead when the road bends right.

Then turn left onto Bunbury Way.

Keep on the road round several bends, through the housing estate, until you reach Epsom Downs station.
