

Zone 5 inner

Section 9 : West Croydon to Wandle Park

Distance: 0.73 mi, 1.17 km

Introduction

This is a very short section. The first half is through streets; the second half through Wandle Park.

There is nowhere much to eat, without going back into Croydon.

Directions

Turn left out of the main entrance of West Croydon Station, then immediately right down Derby Road.

Turn left along Clarendon Road.

At the end, turn right then left under the flyover.

Carry on along Theobald Road.

At the end, bear left into Wandle Park.

Keep on the cycle track, which takes you round the edge of the park anticlockwise.

Pass a skateboard park on the right and go over the River Wandle.

At the next fork, bear right to reach Wandle Park tramstop.
