

Zone 5 inner

Section 11 : Carshalton to West Sutton

Distance: 2.56 mi, 4.10 km

Introduction

This is a rather dull section, almost entirely urban, but fairly inoffensive.

There is a poor selection of places to eat near the end, in Sutton.

Directions

Turn right out of the entrance to Carshalton Station.

At the bottom, turn left along the main road.

Take the footpath on the right, just after the school.

At the end, turn right under the railway.

Turn left at the mini-roundabout, then right along Coleridge Avenue.

At a left bend, it becomes Shirley Avenue.

Take the second right, Milton Avenue.

Keep straight ahead to a T junction, then turn left along Erskine Road.

Keep going along Erskine Road, and then Oakhill Road all the way to the end.

At the T junction, cross the main road and turn left along a cycle track.

Bear right in front of a kiosk, and carry on along Bushey Road. (Or carry on along the main road to reach the centre of Sutton where there are places to eat.)

Turn left in front of the bus garage, then keep straight on along a footpath.

Just before the end, turn right along a road through a housing estate.

Pass garages on the right, then bear left past a play area on the left and cross a carpark.

Turn left along the road, then take the footpath on the right between nos. 75 and 73.

Cross two residential roads.

At the end, turn right three times in quick succession to reach West Sutton Station.
