

Zone 5 inner

Section 18 : Hounslow to West Hounslow

Distance: 2.89 mi, 4.62 km

Introduction

This is a short section. The first and third sections are suburban. The middle section is through Hounslow Heath, which would be pleasant were it not directly under the flight path for out of Heathrow Airport.

There is a pub just after Hounslow Heath.

Directions

Leave Hounslow Station on the north-west side, by platform 1, and take the ramp by the carpark up to the main road.

Cross the main road and turn left.

Just after Station Road, take the footpath on the right.

Carry on along Argyle Road.

After a right bend, turn left.

Eventually, after another right bend, you reach a main road.

Cross at the traffic lights, and carry on along Wellington Road South.

Almost immediately, turn left into Wyndham Crescent.

At the end, after a left bend, turn right alongside the main road.

Carry on into Hounslow Heath Open Space.

Follow the tarmac path to the middle, then carry on in the same direction to the far corner.

Bear right into the trees, briefly joining the London Loop, and bear right again after a stile and kissing gate.

Take the main track straight ahead across Hounslow Heath.

After a while the track becomes concrete. Keep on it all the way to the end.

At the end, cross the main road and carry on along Barrack Road. (Turn right along the main road to reach a pub in 2 minutes.)

Take the third turning right, Corporation Avenue.

Bear left at the first mini-roundabout and go straight ahead at the second.

Take the second left, Ravensdale Road.

Carry on into Beaversfield Park.

Turn right after the play area, and follow the path round to the left.

Leave the park by the exit on the right.

Turn right and follow the road round to the left.

Turn right at the traffic lights, and Hounslow West Station will be on your left.
