

Zone 5 inner

Section 21 : Northolt to Northolt Park

Distance: 1.43 mi, 2.29 km

Introduction

This is a short section. It is mainly through nondescript suburbs, but with a bit of greenery in the middle.

There are a number of curry establishments the end, but not much else in the way of places to eat.

Directions

Turn right out of Northolt Station.

Turn right down a flight of steps (which may be blocked).

Carry straight on along a residential road.

At the end, take the footpath on the left.

Turn right along the next road.

At the end, turn right along Eastcote Lane.

At the main road, go straight ahead along a footpath.

Bear left across the next road, then turn right through a gap between a housing terrace and a block of flats.

Go straight ahead through a housing estate.

Turn left onto a cycle track.

Go through a black gate.

When you come out into the open, turn right over the grass.

Bear slightly right a little later.

Turn left onto a tarmac path.

Bear right onto an access road, with a lot of parked cars on either side.

At the end, turn left then right into Wincanton Crescent.

On the right bend, carry straight on down a stepped ramp.

Cross the main road, and turn left.

Just before the viaduct take the footpath on the right.

Keep straight ahead through a housing estate, and you will shortly reach Northolt Park Station on the left.
