

Zone 5 inner

Section 32 : Bush Hill Park to Southbury

Distance: 1.39 mi, 2.22 km

Introduction

This section is mainly suburban. The only bit that is not suburban is through an industrial estate. Really the section's only redeeming feature is its shortness.

There is nowhere much to eat.

Directions

Leave Bush Hill Park Station on the east side, by platform 1, and cross a small carpark.

Turn left along First Avenue.

Turn right along Third Avenue.

Take the footpath on the right, between nos. 54 and 52.

Keep straight ahead along Leighton Road.

After a left bend, turn right into Ashley Croft.

Keep straight ahead to the dual carriageway.

Cross it, and carry on along the road opposite.

At the end, turn left past the barrier.

Then keep going in the same general direction through the industrial estate.

At the end, turn right along the main road.

After going under the railway line, turn right along Kingsway.

At the end turn left, and Southbury Station will be on your left.
