

Zone 5 outer

Section 8: Belmont to Cheam

Distance: 1.79 mi, 2.86 km

Introduction

This is a very short section, largely devoid of interest. There is a short stretch of greenery near the start, but thereafter it is entirely suburban.

There are places to eat in Cheam.

Directions

Turn right out of Belmont station, and go up the steps.

Turn right over the railway, and sharp right into Station Road, which becomes Bradley Close.

Keep straight ahead along the footpath and a short stretch of Sevenoaks Close, and then bear right onto another footpath.

Immediately bear right into Belmont Pastures.

Follow the path to the end.

At the end, go straight ahead into Brasted Close.

Keep straight ahead across several intersections, including traffic lights and a mini-roundabout. The road's name changes to Dorset Road and then Northey Avenue.

Then turn right along The Avenue.

Turn right again into Wray Road.

At the end, turn right then sharp left into Manor Road.

Go all the way to the end (do not join the main road on the right), then turn left at the T junction.

Take the first right, which is Station Approach, which takes you to Cheam Station.
