Sections 28 to 30: Gordon Hill to Brimsdown

Distance: 4.57 mi, 7.31 km

Introduction

Gordon Hill, Enfield Town, Southbury and Brimsdown are all very close together, and the routes joining the last three are very dreary. Some of this dreariness can be alleviated by taking a more northerly route directly between Gordon Hill and Brimsdown. This route shares much of the route from Gordon Hill to Enfield Town, which goes through the attractive parts of Enfield, where there are pubs.
